Red Carriages

Green Carriages

Tobacco

Luminous Blue

Brown

Pearl Gray

Properties

Quick drying, high quality and elasticity, washable, great adherence, U.V. ray resistance, not yellowing, high resistance.

Application surfaces

Iron, steel, wood, canvas, rigid PVC, methacrylate, expanded polystyrene, plaster, cement, fibrocement, brick, stone, porous ceramics, galvanized aluminium, copper, zinc, etc.

Main uses

Doors, windows, balconies, fences, household appliances, canvas, cranes, metallic structures, radiators, garden and interior furniture.

Instructions

Shake well the product by using a manual shaker. Surface to paint must be free from dust, wax, oil, rust or detached paint. It can be applied with brush, roller or painting gun. To apply with a roller or brush, diluting the product is not necessary. To apply by using a painting gun, dilute one part of product with 5-10 parts of water.

New surfaces

Wood, plaster, gypsum, cement: primer beforehand with an acrylic or synthetic sealer.

Iron or steel: apply beforehand an antirust primer either acrylic or synthetic.

Galvanized steel, aluminium, zinc or other non-porous surfaces: Prime with wither acrylic or synthetic multipurpose primer (Shop Primer).

Apply two coats of acrylic enamel over previously prepared surfaces.

Paintes surfaces in good condition

Sand it smoothly in order to obtain a better adherence and clean the dust. Then, apply one or two coats of acrylic enamel.

Surfaces in bad condition

Remove the detached paint. Then, we will proceed as indicated for painted surfaces in good condition.

WATERBORNE ENAMEL GLOSS

GENERAL CONDITIONS

Delivery of merchandise sent by transportation agency will be for the account of the buyer, even with prepaid carriage.

Breakdown, loss or damage to goods, as well as any delivery delay, will be reclaimed to transportation agency (clarify this circumstance in the delivery note). It is advisable to check the merchandise received in order to discover any possible damage. Any claim must be noted in the delivery note and reported to the company in the four days following the date of reception.

Returns are not accepted after 30 days of the date of reception. Returns are not accepted in case of open containers or with lack of product, by events out of the control of the company. The mean of transport used to send the merchandise will be chosen by the company; on the contrary, the customer will be responsible for paying the difference of costs.

The delivery of merchandise will be blocked in case of non-payment of bills, untills the debt has been repaid in full. Our sales software blocks any operation in this case.

The payment of any tax over transactions will be up to the customer.

In the event of litigation, only the justice courts of the office of La Roda (Albacete) will be used.

The company will be only responsible for the value of the product.

Prices included in this price list can vary according to market variations. These changes may be communicated by the sales representative by means of an email, phone call, etc.

Prices included in this price list are the recommended ones for sale to the public. VAT NOT INCLUDED.

This price list negates the validity of all previous price lists.
